

SIMONSTONE PARISH COUNCIL

GRANT APPLICATION FORM

Introduction and Considerations

The purpose of the grant is to support and develop non-profit initiatives which benefit Simonstone residents and support Parish Council aims.

When considering an application, the Parish Council will note both the number of Simonstone residents that would benefit from the grant and if the balance of funding benefits all age groups.

You are welcome to include any additional information you think would benefit your application when you submit it.

Finally, it is not the aim of this form to put any residents off applying for help with a small project to benefit fellow residents. However, we do have to have a form and process that will suit all grant requests. Therefore, if you have a lovely idea that you would like us to financially support because it would benefit fellow residents do, please apply and we will give it every consideration.

Next Steps...

If you're requesting £1 - £149 please complete pages 1 and 2 of this document having considered the Notes and Rules on page 3.
